

FREE WOW!!!

LANDLORD TRAINING

Spring 2006

The Erie County Health Department - Healthy Homes and Neighborhoods Program in partnership with Belmont Shelter Corp. is offering **FREE** training to rental property owners to promote healthy housing. All programs include classroom & interactive instruction. **SPACE IS LIMITED, REGISTER TODAY!**

TOPICS:

MOLD AWARENESS Can mold be a problem? Yes, it sure can. Learn how to identify, properly remove, and prevent mold growth from reoccurring saving you time & money. Instructor: Anthony Young, Environmental Education Associates.

LEAD POISONING PREVENTION Find out about the dangers of lead poisoning, if you could have a lead paint problem, and information on programs to conduct lead safe work practices in your property. Instructor: Andrew McLellan, Pres. Environmental Education Associates

Note: This is NOT a Lead Hazard Control/Abatement Certification Course.

HEALTHY HOME REPAIR 101 Discover how a house "Works as a System", simple preventative maintenance to save you time & money, and proper house painting techniques. Instructors: Domenic Cortese, Pres., Cortese Construction Co., Host of WBEN Radio 930 Home improvement Hour; and Roy Kowalski, Commercial Sales Rep., Glidden - Delux Paints.

LANDLORD/TENANT RELATIONS Find out about screening techniques, leases and how finding and keeping good tenants can protect your property and improve the neighborhood. Presenters: Hon. Henry Nowak, City of Buffalo. Housing Ct. Judge; and Corey J. Hogan, Attorney, Hogan & Willig, PLLC.
